# History

# Why Choose Kodegiri?

## CONSULTING FOR FREE

As our collaboration with enterprises and educational institution, We position ourself as a consultant that discuss what our partners need with no charge at all, our team will be available to discuss with you even before we have any agreement. Because our value is "Give more than universe will give you more".

## PROVIDING COMPLETE SOLUTION

You will not only receive tool, but also further support from us such as resource training, recruitment, and even consulting to our expert in education and training with 25 years of resource and project management experience internationally.

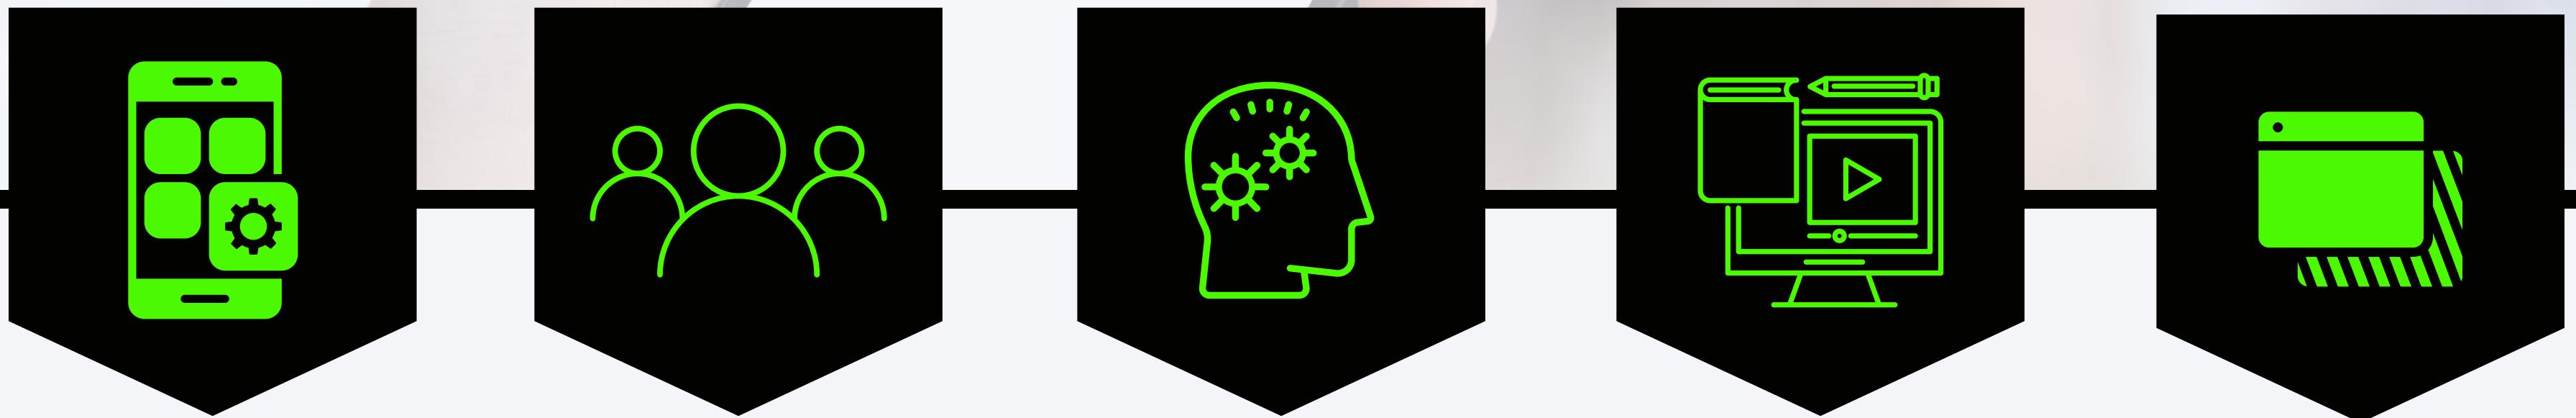

## THE EXPERIENCE + THE KNOWLEDGE OF YOUTH

Kodegiri is the "Young" STAR Software Indonesia, which means we inherit the experience of 25 years in the international level combined with the technological knowledge of youth in this era.

**You always want to cook with the perfect ingredient, right?**

# What we do: #1

## Our Standard Solution

### SELF-LEARNING INTERACTIVE MODUL

You'll get free e-learning platform to train your sales as they can access it via their own mobile phone. Available in sampAideal Platform.

### TEAM ON DEMAND

You can even get your own team without spending any effort to find one, we will find them for you.

### KAMPUSGIRI & KODEPRENEUR

Our partnership with PT STAR Software Indonesia allow us to provide you the best and most experienced incubation and training ever with 23 years of experience.

### IOT: LEARNING TOOLS

The world will face the digital transformation, so when you need your everyday device to be connected, we are there for you.

### ACADEMIC SYSTEM & CRM

You may need an integrated system to run your business, as we are handling STAR Group Information system, our global experience will help be a beneficial add for you.

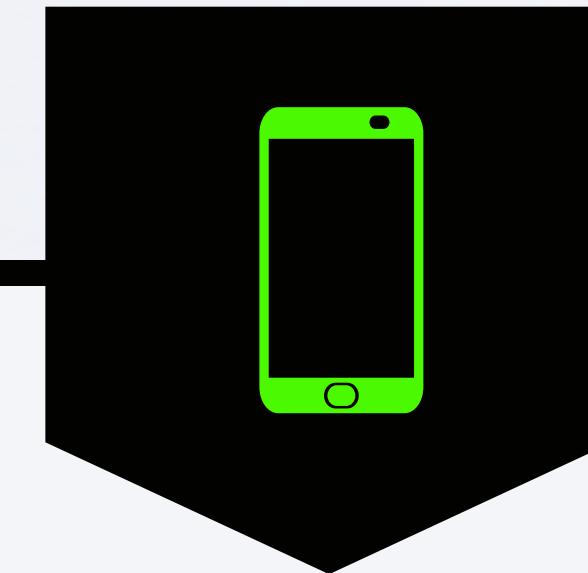

# What we do: #2

## Our Non-Standard Solution: Custom Development

### WEBSITE

You need a place as your identity digitally. We will build it for you from the simplest to the advance.

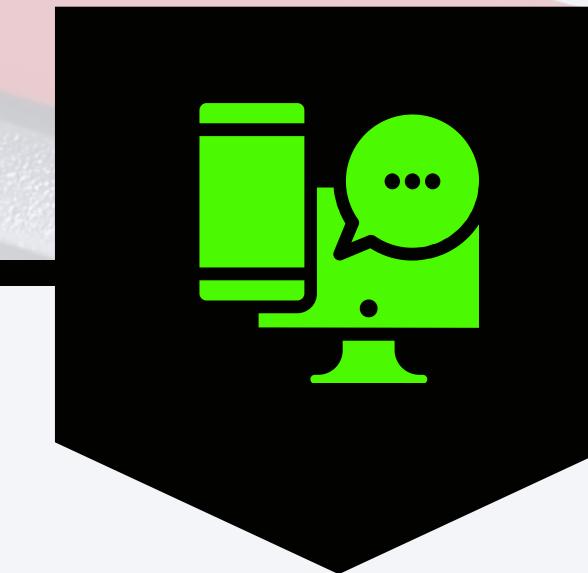

### CUSTOM MOBILE APPS

When you need custom mobile apps, our experience in supporting big company to create mobile apps will help you.

### DIGITAL MARKETING

You must be sold! That's why in this era of tech, it is necessary to promote you and our team with 10 years of Digital marketing experience will help.

### SAMPAIDEAL

A Platform in Android/iOS that helps you and your sales team works even better than ever.

### TRANSLATION

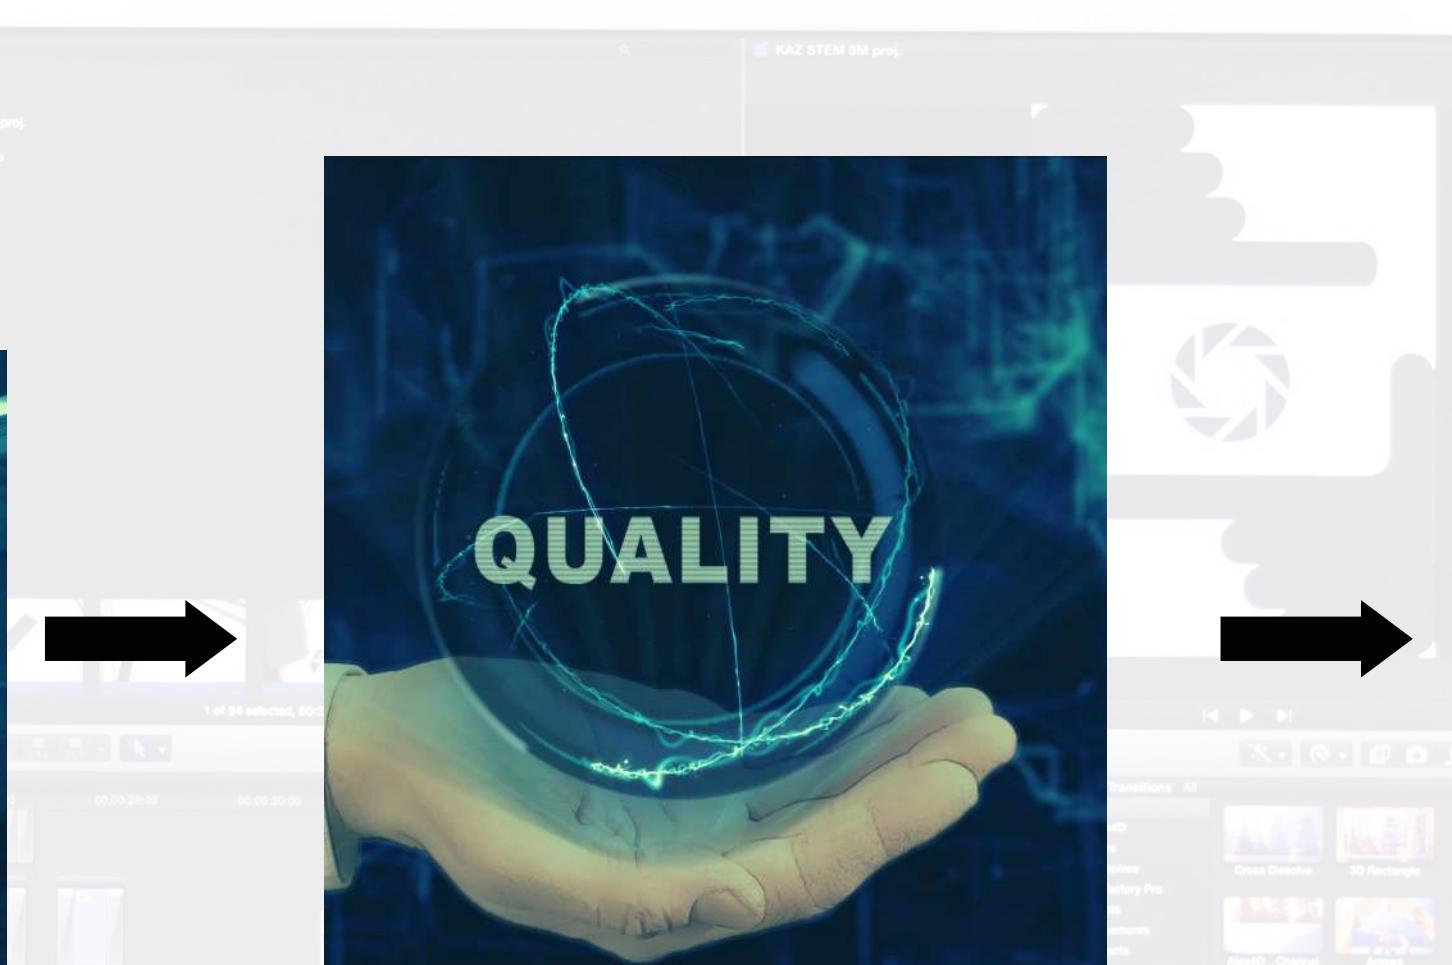

As a part of world's leading localization company, STAR Group, Kodegiri can also provide you to bring you closer to your market by make you speak their language and culture.

# OUR VALUE #1

## SPEED

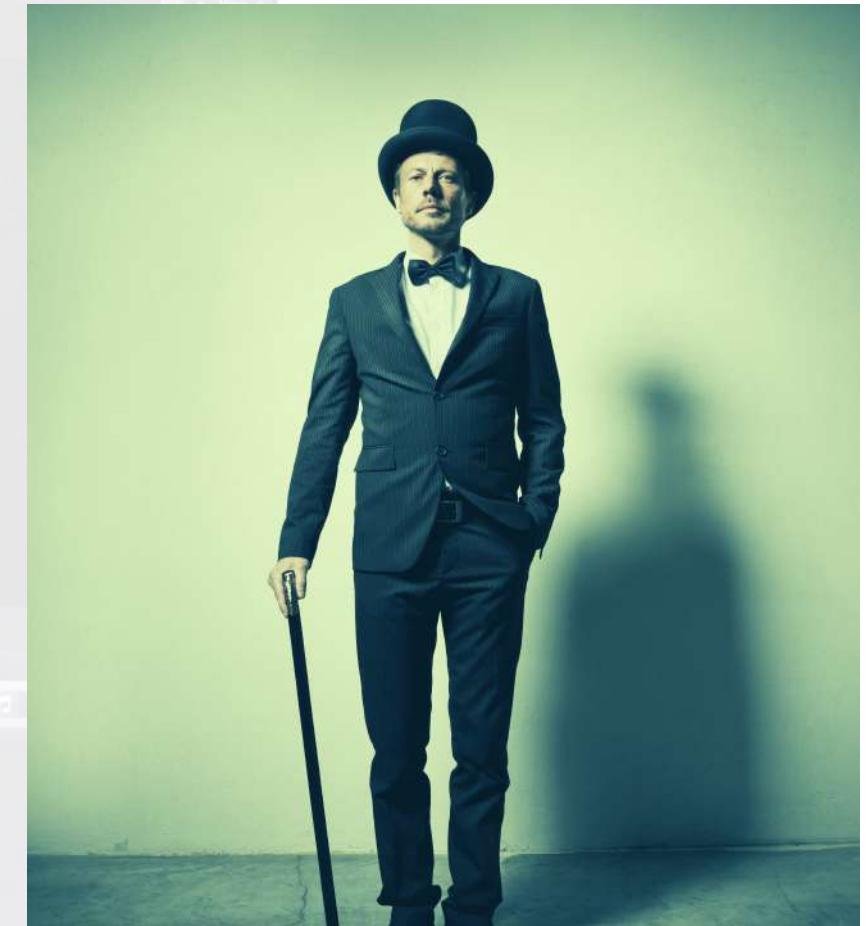

The best team is the fastest!  
Yes, we believe it as we will make sure you'll get the fastest response and work from us.

## QUALITY

You'll get a dedicated team to make sure everything you request will be done.  
They will be your "personal assistant" rather than our team of expert.

What's the different?

## CLASS

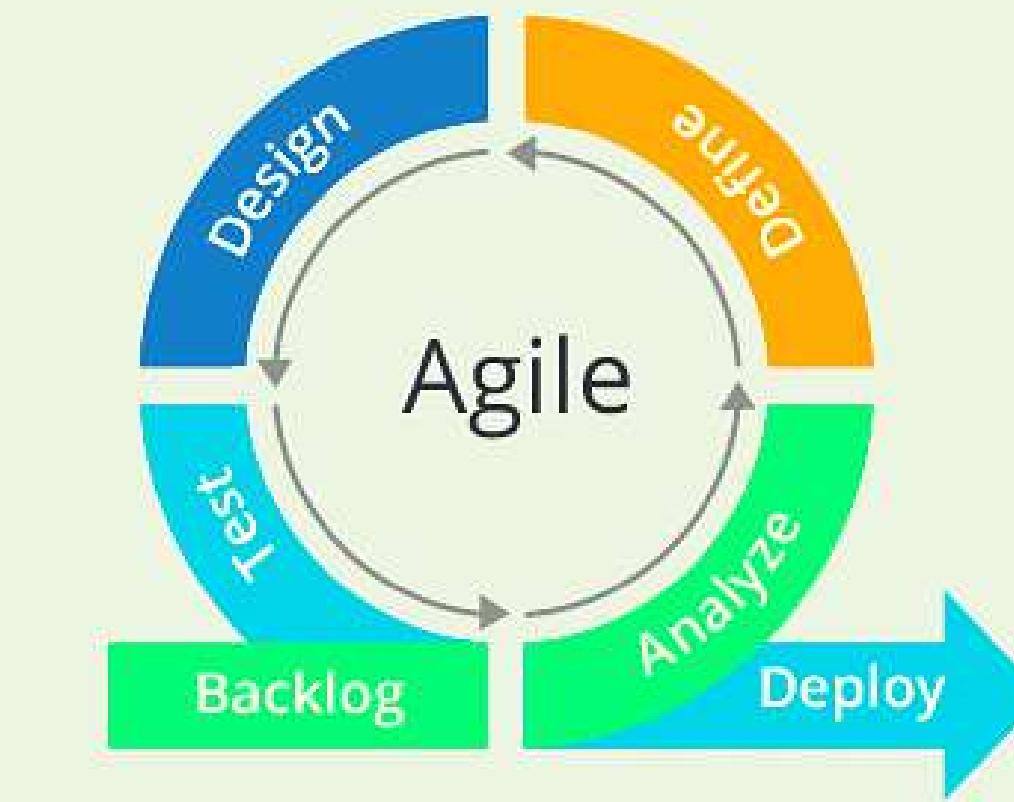

You'll receive the highest level of project management service as we have been experiencing this field for more than 20 years.. There is no small or big client for us.

**MAIN STRENGHT**

## 20 years of Project Management

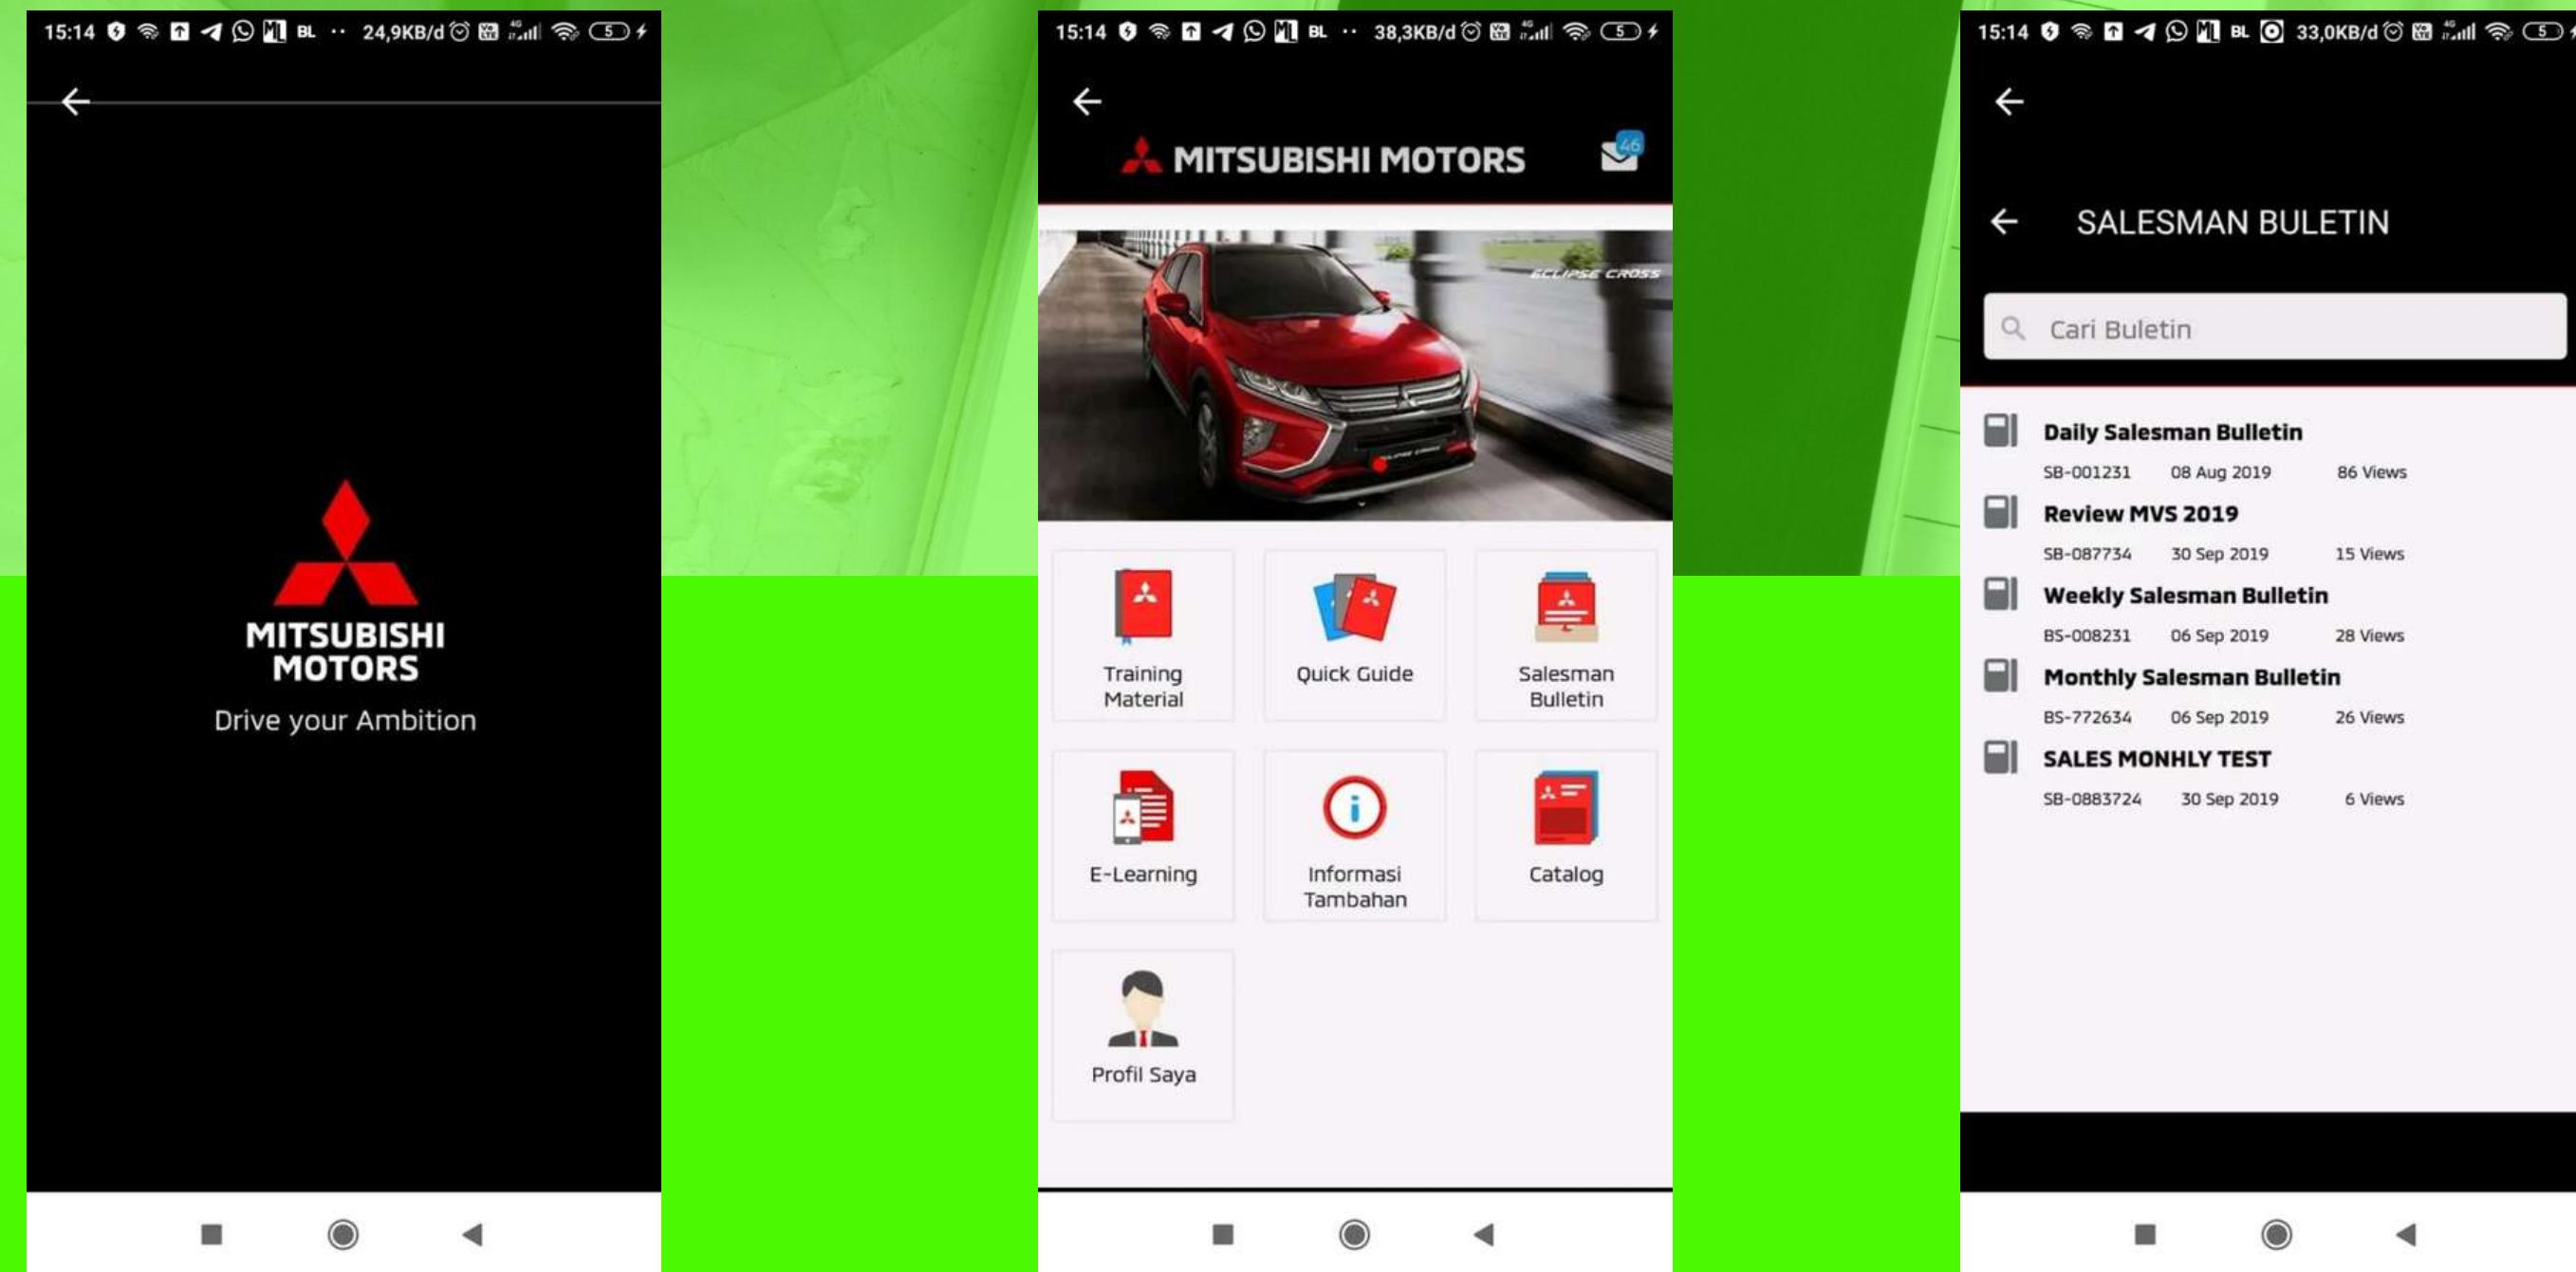

DEPENDS ON YOUR NEED!

### Waterfall vs. Agile
